Day One: **God Creates** **Day and Night**

Based on

Genesis 1:1-5, 14-19

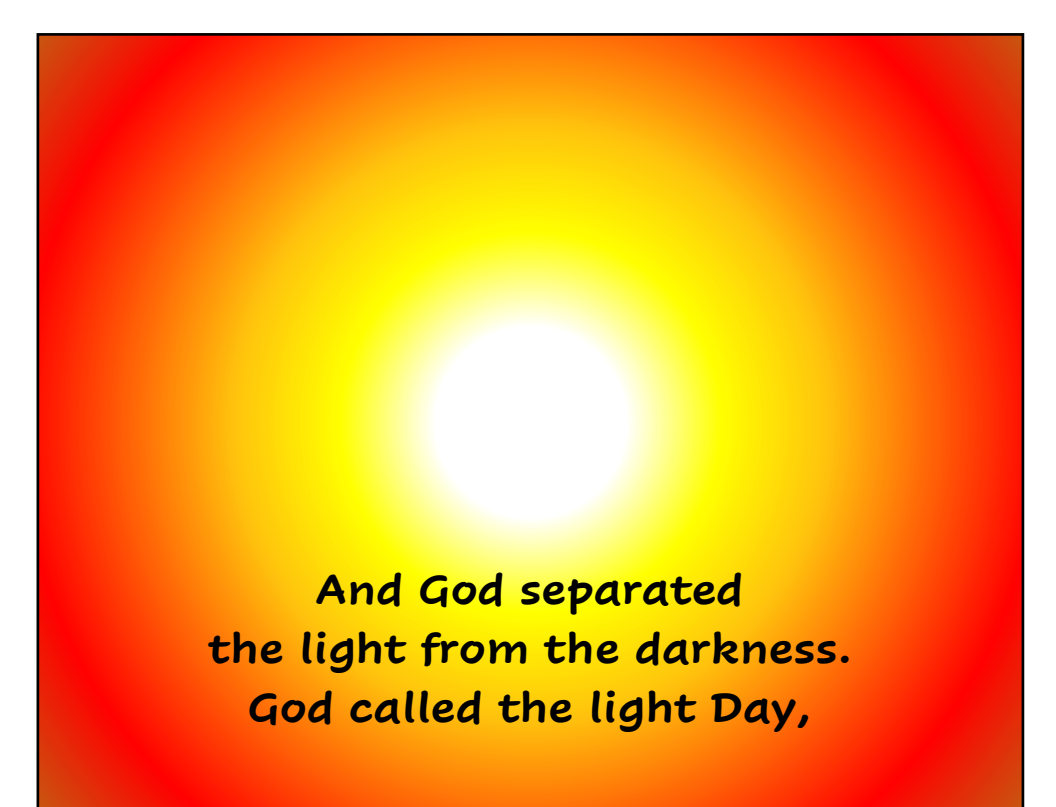

*In the beginning, when God created the
heavens and the earth, the earth was
empty and shapeless
and darkness was everywhere.*

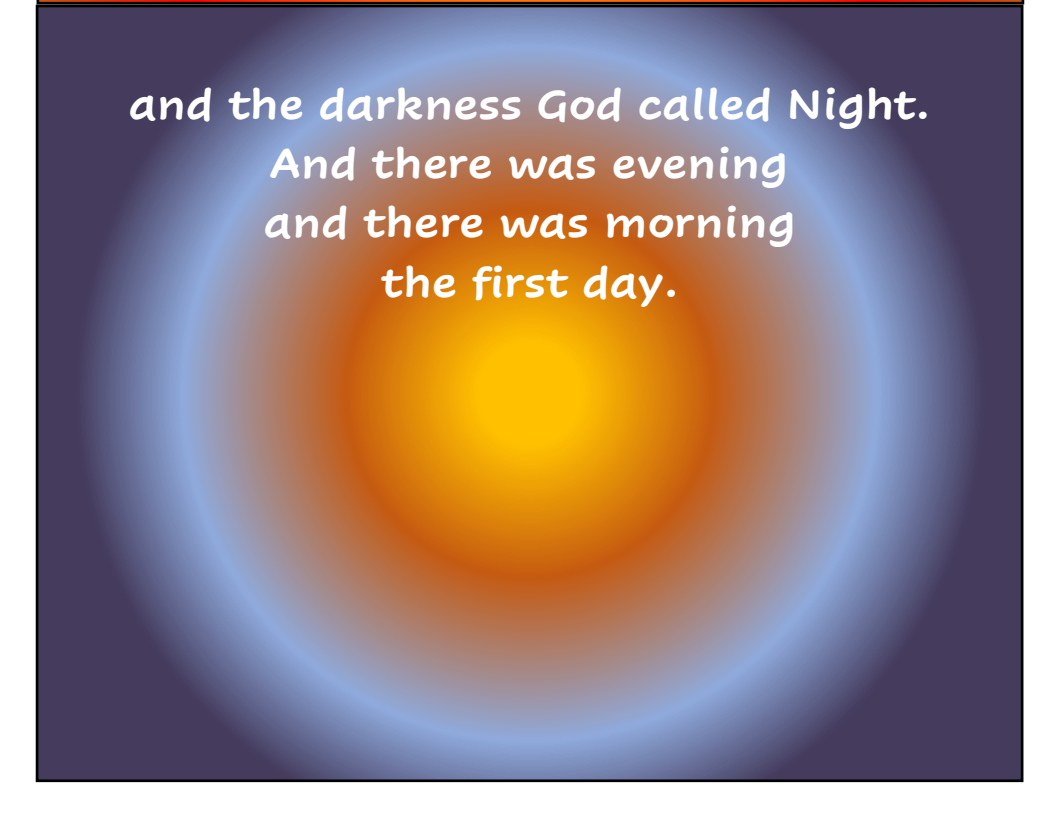

**A wind from God
swept over the waters.**

**Then God said,
"Let there be light!"
And there was light.
And God saw that
the light was good.**

A bright sun is centered in the upper half of the image, set against a background of a red and orange gradient that suggests a sunset or sunrise. The sun is a glowing white circle with a yellow and orange aura.

**And God separated
the light from the darkness.
God called the light Day,**

The lower half of the image features a dark blue and purple gradient background, representing night. A faint, glowing sun is visible in the center, creating a circular light effect.

**and the darkness God called Night.
And there was evening
and there was morning
the first day.**

And God said,
“Let there be lights
in the sky
to separate the day
from the night.”

**“They will be used for signs to show
the days and years.
They will be in the sky
to shine light on the earth.”
And it was so.**

**God made the two
great lights—the
greater light to rule
the day**

**and the lesser light
to rule the night—
and the stars.**

God put them in the sky to give light to the whole earth, to create day and night, and to separate the light from the darkness.

And God saw that it was good. And there was evening and there was morning, the fourth day.
