## Day Three: God Creates Plants

Based on  
Genesis 1:9-13 and  
Ezekiel 47:6-7, 12

**God said, "Let the waters under the sky be gathered together into one place, and let the dry land appear."  
And it was so.**

**God called the dry land Earth, and the waters that were gathered together he called Seas. And God saw that it was good.**

**Then God said, “Let the earth grow grass, plants that make grain, and fruit trees. The fruit trees will make fruit with seeds in it. And each plant will make its own kind of seed. Let these plants grow on the earth**

**The earth grew grass and plants that made grain. And it grew trees that made fruit with seeds in it. Every plant made its own seeds. And God saw that it was good. And there was evening and there was morning, the third day.**

**Many years after God created the grass and plants and trees, there was a prophet named Ezekiel. God spoke to Ezekiel and showed him things in visions.**

**One day, God led Ezekiel to a river.**

**God said to Ezekiel,**

**“Have you seen this?”**

**On both sides of the river Ezekiel saw many trees.**

**God told Ezekiel that on both banks of the river, all kinds of trees would grow. Trees that would grow all kinds of fruit for eating.**

**God said the leaves of the trees will never dry out or fall off. The fruit of the trees will never rot and fall off.**

**The trees will bear fresh fruit every month because the trees get the water from the river.**

**The fruit of the trees will be for food,  
and their leaves for healing.**
