Day 3: The Disappearing Sheep

Craft, Activity, and Snack

Craft: Find the Lost Sheep

Cut out a sheep face with ears from felt. Glue it to the pompom and add googly eyes. Hide the sheep under one of the three peat cups and mix the cups around – see if you or your friends can figure out where the lost sheep is hiding.

Activity: Disappearing Lamb

Draw picture of lambs on a piece of paper that will fit in the small Ziploc bag – keep one lamb alone in the middle. (Try to recycle a clean Ziploc bag from earlier this week). Place the piece of paper in the bag. On outside of bag, trace over all the lambs with a permanent marker except the one in the middle. Now lower the bag into a clear glass or vase of water and watch the middle lamb disappear! You'll need to keep the drawing vertical for this optical illusion to work.

Snack: Lamb's wool

Okay, it's not real lamb's wool – I don't think that would taste very good! But popcorn looks like lamb's wool. See if you can make the popcorn into the shape of a lamb before you make it disappear!
