

Considering Worshipping with a Leeds Anglican Ministries Congregation?

Like any religious or spiritual commitment, it is a personal and deeply reflective choice. Here's some information about what we have to offer...

- **Theology and Beliefs:** Anglicanism is known for its moderate and inclusive approach to theology. It seeks to balance tradition, reason, and scripture in its teachings.
- **Worship Style:** If you are drawn to a fairly structured form of worship, you might find Anglican worship fits. Our usual Sunday Holy Eucharist worship includes a time of gathering, listening to scripture, a sermon / homily reflecting on the readings, time for prayer, and celebrating Holy Communion, with hymns enriching our worship.
- **Inclusivity:** Our congregations strive to be inclusive and welcoming.
- **Community:** Local church congregations can provide a strong sense of community and belonging. We do our best to offer that.
- **Social Justice:** Our congregations seek to emphasize social justice and caring for those in need. As part of the Anglican Communion, we are committed to The Five Marks of Mission: Telling the good news of God, Teaching each other as believers, Tending to the needs of all people, working to Transform whatever is broken in God's world, and Treasuring God's creation.
- **Spiritual Growth:** Our regional ministry offers opportunities for spiritual growth through prayer, meditation, study, and service.
- **Global Communion:** The Anglican Communion spans the globe and includes diverse cultures and perspectives. This can provide a sense of belonging to a larger international family of believers.
- **Sacraments:** We celebrate traditional Christian sacraments such as baptism and the Eucharist (Holy Communion).

Ultimately, the decision to become part of an Anglican congregation should align with your personal spiritual journey. Take the time to explore the beliefs, practices, and community of our congregations and of Anglicanism to determine if it aligns with your values and beliefs.

We invite you to take a step in your journey of faith by attending one of our worship services. We especially encourage you to come and be part of one of our annual 'Welcome 2 Worship' Sunday worship service and fellowship times on the first Sunday in September, but please know you are welcome any time!

*****Remember that faith is a deeply personal matter,
and taking your time to reflect and explore is important.*****
